Notes

This table shows what we paid to the Faculty of Advocates, or directly, for each of the 20 highest-earning advocates between 1 April 2010 and 31 March 2011. Also shown is their position in previous financial years. Amounts are rounded to the nearest £100. In some cases, money may have been paid, but returned to us, and any such amounts put through our accounts system between those dates have been deducted. It includes BACS payments transferred to the Faculty's bank accounts and cheques dated between those dates.
